Demo avatars are coming soon too!There's at least one thing we can say about the Kickstarter for the Guns of Icarus Rebellion: we expected this hypetrain to be derailed long ago. And indeed, this month's makers' conference in Bristol, UK, was full of questions about the small team behind the ambitious new independent project, and we got a few answers. Developer Simon Rothman gave us an update, as well as a video tour of a pre-alpha build of the game in action. We asked the questions we really want to ask: Is this thing going to be fun? First thing first, there's a lot of hype surrounding Icarus. Is this image of a vengeful myth really the best way to sell a game to us? "The key thing about the story is that it's a story about Icarus, an invention. It's a story about human hubris," Rothman explained. "In Icarus' case he's created a weapon that takes humans to the stars and it's

a weapon of mass destruction." Right. So the conflict is between humans and this invention that's supposed to save the world? "Absolutely. It's the relationship between people and technology," Rothman insisted. "People yearn for it, and it becomes hubris. "We took that story and we're using it to tell the epic story of a rebellion against the technology that Icarus has created." "We're definitely not Nazi-y. There's no barbed
