Officers believe the suspect went to the victim's residence to cause harm, but the victim was able to escape and called for help. According to Junction City Police Lt. John Jacobson, the couple lived on the 2400 block of West 38th Street. They have been married for 20 years. Officers and detectives were called out to the residence shortly after 10:30 p.m. after receiving reports the victim's car was up on blocks in his garage.CVS Caremark, the pharmacy chain, on Monday said it will require customers to provide an email address or phone number when they want to sign up for its email alerts program to keep costs down. Customers will need to provide an email address or phone number if they want to register for and receive electronic pharmacy dispensing reports and use the "Track and Receive" service. Those services have been free for customers of CVS Caremark for the past seven years. According to company officials, customers who want to sign up for the program without providing an email address or phone number will receive the reports electronically by email without having to pay any
