Fans from all around the world have probably watched the English League Champions play in their world famous stadium, Highbury. And thanks to Arsene Wenger's vision and teaming up with the company, this screensaver offers a cool spectator view of this stadium. All images and animations on this screensaver are based on detailed 3D models by 3DMD. A large, but uncluttered visuals, with a simple design and few aspects, save you from huge amounts of flicker, but it also prevents you from viewing all the details of the graphics. The program automatically detects your system's desktop, displaying it at its best. It is also possible to display images and layers along the time. This screensaver can be shown in a window or minimized to the system tray. Arsenal Football Club Animated Screensaver-Review by avp2005 Definatly, Arsenal is my all time favourite football team. I've been an Arsenal fan my whole life. I love the London Arsenal. They should offer their very own screensaver. (Posted on 7/6/2014) Excellent screen saver - Review by Angus I'm a long time fan of Arsenal, the club's home in London can't be beat. Your screen saver takes you to Highbury, one of the most popular stadiums in the world. The feeling of being there I'm sure you will love it. Arsenal Football Club Screensaver-Review by Tony Limnage This Arsenal screensaver has made you lose some sleep, that is for sure, it's a great screensaver and will make you appreciate more the game of football on the World Cup. Arsenal Football Club Screensaver-Review by bob i've downloaded this screensaver. and yes you can see all the player names and the team scoring. BUT i can't get any sound out of this. All images and animations on this screensaver are based on detailed 3D models by 3DMD. A large, but uncluttered visuals, with a simple design and few aspects, save you from huge amounts of flicker, but it also prevents you from viewing all the details of the graphics. The program automatically detects your system's desktop, displaying it at its best. It is also possible to display images and layers along the time. This screensaver can be shown in a window or minimized to the system tray. Arsenal Football Club Animated Screensaver

Arsenal's%20Striker%27s%20Socks%20Are%20A%20Dirty%20Business.mp3 You're gonna go right back to hell after this one. That's where your wife likes it. Who does she think she's dealing with? She can't do anything right. Look at her pants. She's got pissed on, whiskey and that's it. She gets rat bites on her bare legs. Spiders bite her at night and she whimpers. That's what makes a man. Know what I mean? Give me a break, woman. You make it hard. You make it hard. You make it hard on a man. She's a cunning little bitch, trying to get me off track. She's waiting for me. I'm walking the streets of hell. Hey! I'm walking the streets of hell. You
