It was in 1935, when rich businessman Alonzo Collins left his big mansion in the north of US and went to visit his relatives in the south. Unfortunately, Alonzo was on his way to a very dangerous, swamp-infested place, which is probably to be blamed for the mysterious disappearance of his son. To go on, you have to work a lot on the road, because soon you and your team will finally reach the forbidden area. But try to find out what happened to Alonzo and his son before he reaches a gravely guarded, deadly swamps. * Do not forget to visit the blog for more helpful info. IMPORTANT NOTE If you want your review to be completed quickly, it is better to send me an email about the same as soon as possible after you played the game. That way, I can start building the review faster. A: I noticed an error in the puzzle: there should be a different item over the peak in "The Hollow Moon". Clicking on the peak gives an hint, but a different one than the correct item (and there are no bad words, so it should be easy to find out). Here's the high res image: A: The puzzle "The Hollow Moon" is a bit buggy. The block is too small to contain the item. Either the game logic is flawed (the item is there, but you can't see it) or the game engine is buggy. Try it with a different puzzle. Thank you Santa! My rematch santa did a great job using the things that I've given in to get me some really fun stuff, and I am highly impressed with the time and effort that went into matching my likes and dislikes! First, my rematch santa gave me a delicious apple pie spice! I've never had any before, but I am going to definitely be having it. Next, my santa gave me a few little bottles of a local Canadian gin. I've always heard good things about Canadian brands so I'll be having a few drinks with those! Finally, my santa gave me something awesome. This is a geeky beard grooming kit. There are several fancy brushes and mirrors, and each item is labelled with the thing that it's supposed to assist with. I'm going to have fun with this!Q: Best way c9d1549cdd
