Those of the 80s believed they were the new trend, and the 1990s had an endless number of fads, some good and some not so good. But what are they, and why do they keep changing their minds? A Fad is a word that can be applied to all kinds of trends, depending on what the person is trying to change their mind about. When we hear the word, we think of things that we feel are not very useful or even bad, at least not for long, but for example, there are some fads that look quite decent, but after a 6d1f23a050
